St. Paul's Catholic School is extremely grateful to Markquart Motors for sponsoring the *Giving Back Program* where we earned one of their \$5,000 donations to our school. These funds will definitely be put to great use, especially with the special challenges of this year's COVID-19 pandemic.

Here at St. Paul's Catholic School we are privileged to team with amazing families and the area community to guide our students' education. Our mission stresses the importance of *Faith, Leadership and Excellence* for our students to lead successful lives. We believe that having a strong relationship with God, instilling high expectations, a well-grounded work ethic, and service to others guides our children to be well rounded.

It is truly remarkable that Markquart Motors is Giving Back during these challenging times! Our families, students, and staff will benefit greatly by this huge donation. These extra funds will assist us with providing tuition support; further enhancing our technology and curriculum; and purchasing additional safety protocol.

We want to extend our sincere appreciation to everyone that voted for us and the kindness of Markquart Motors! We wish everyone many blessings and a very Merry Christmas!
